Skills

- **Languages**: Python, C++, C
- **Frameworks**: HTML and CSS, Pandas, NumPy, Matplotlib, Scikit-learn, Seaborn
- **Tools/Platforms**: MySQL, Oracle Cloud, Jupyter Notebook, Power BI, Microsoft Excel
- **Soft Skills**: Empathetic, Team Player, Collaborative, Adaptability, Team Management

Projects

- **SnackMachine – Restaurant Webpage | GitHub** Aug' 2025 – Sept' 2025
  - Built a fully responsive restaurant/snack-machine website with 8+ UI sections, optimized for 3 device sizes including landscape mode.
  - Structured the interface using 9 Flexbox containers for layout management, ensuring smooth alignment and consistent responsiveness.
  - Curated a clean food browsing experience featuring 3 food categories and 6 menu items, improving navigation clarity.
  - Included 1 JavaScript interaction to enable smooth scrolling for a seamless user experience.
  - **Tech**: HTML, CSS, JavaScript
- **PlaceOn - Student Placement Predictor | GitHub** Jun' 2025 – Jul' 2025
  - Developed an ML-powered placement predictor using 10 student features to estimate placement probability from a dataset of 10,000 records.
  - Trained and evaluated multiple models, achieving 79% accuracy with Logistic Regression and a 79.1% tuned Random Forest model.
  - Created a custom 100-point Placement Readiness Score combining 6 academic and skill metrics for quantitative assessment.
  - Engineered an interactive UI with 10+ input fields, real-time prediction output, and 5 personalized suggestions to improve placement chances.
  - **Tech**: Python, Streamlit, Scikit-learn, Pandas, NumPy

Training

Machine Learning Made Easy: From Basics to AI Application Jun' 2025 – July' 2025
Lovely Professional University

- Gained a solid understanding of core Machine Learning concepts including supervised, unsupervised, and reinforcement learning
- Implemented ML algorithms like Linear Regression, Logistic Regression, Decision Trees, KNN, and basic Neural Networks
- Built end-to-end ML models — from dataset loading to training, evaluation, and prediction.

Certification/Certificates

- Design and Implementation of Human-Computer Interfaces by NPTEL | Certificate Nov' 2025
- Oracle Cloud Infrastructure Foundations Associate by Oracle University | Certificate Oct' 2025
- Web Development by Cipherschools | Certificate Sept' 2025
- C Programming by Udemy | Certificate Mar' 2024

Achievements

- Demonstrated strong problem-solving skills by achieving a 5-star rating in Python on HackerRank. Jan' 2026
- Showcased coding proficiency by attaining a 5-star rating in C++ on HackerRank. Jan' 2026

Extracurricular Activities

- Organized a 3-day event, Entrepreneurship Conclave, as a lead event coordinator for the E-Cell Club, fostering strong team collaboration, and assisting participants throughout the event. Feb' 2025

Education

- **Lovely Professional University** Punjab, India
  Bachelor of Technology - Computer Science and Engineering; ***CGPA: 6.73*** *Since Aug' 2023*
- **Ma Parkaliya R D I C** Saidpura, Ballia
  Intermediate; ***Percentage: 60.6%*** *Mar' 2018 – Jul' 2020*
- **RPM Academy** Kusmhi, Gorakhpur
  Matriculation; ***CGPA: 10*** *Apr' 2015 – Jun' 2017*
